comment: Our various trainers and participants have often stayed here when coming from interstate and country areas. The reports have been excellent. It's modern and has all the facilities. It has won awards and I haven't had any negative feedback. It's on the eastern side of CBD and amongst all the restaurants and the eastern CBD has all the designer label clothes too (if you are a shopper). 600 metres away from ETC. 55 Frome Street, Adelaide. comment: The Mayfair Hotel opened less than 2 years ago and is opulently furnished, beautiful rooms with a fantastic restaurant. It's the beautifully renovated Colonial Mutual Life building. The façade has been kept but modernized inside. Rates are higher. Free Wifi. Well worth staying here and close to us. Our clients who have already stayed here gave 5 star feedback. It's only 280 metres, walking takes 4 minutes. 45 King William Street, Adelaide. Phone: 08 8210 8888

comment: It is the nearest to our premises and certainly in the heart of things – in the centre of Rundle Mall. It is older, a 1920's art deco building (but refurbished) and the rooms are smaller than the bigger hotels. The feedback has been good. It has a balcony (restaurant/bar called the 'First Bar') over Rundle Mall and the food is great. Only 240 metres away from ETC. More of a smaller boutique hotel. Lots of character and not the mainstream look. The restaurant is Moroccan style furnishings. 128 Rundle Mall Adelaide. Phone: 8 8215 4444

Comment: Recently built. A sleek high-rise hotel. A lot of our trainers have stayed here and we haven't had a bad report. It is classed as budget and from what I hear it's just the rooms are more compact. It still has everything you need. 350 metres away and a 5 min. walk to ETC...
